Juice Stop Does It Different

No sugary purees, No sweetened fruits,
No smoothie mixes! Juice Stop specializes in custom-made frozen smoothies, fresh juices and healthy snacks. We blend exactly what you ask for at a competitive price.

The high quality of our products is what makes your Juice Stop experience memorable. We go to great lengths to satisfy you, our valued customer, in ways that cannot be matched by other juice establishments. At Juice Stop all of our non-fat yogurts and delicious sherbets are made especially for us from the brand leader in the frozen dessert industry. They are made from carefully selected, premium ingredients for great tasting flavors and a creamy texture. We have also refined our juice formulations. We continually meet with our growers to ensure only the most succulent fruits are picked so you will continue to enjoy nothing but the high-quality, natural products you have come to expect from Juice Stop.

Juice Stop looks forward to helping you reach your goals of becoming a healthier, happier you! All smoothies made non-dairy on request. All yogurt is non-fat.

Wheatgrass: "Live food for live cells." This describes the miracle food wheatgrass - the health builder, cleanser and natural healer. Wheatgrass is one of nature's rich sources of vitamins A, B, C, E and all of the known mineral elements. It purifies and detoxifies the body and aids in metabolizing nutrients. Wheatgrass contains about 70% chlorophyll which is considered "the life giving source" of plants. One ounce of wheatgrass is comparable in nutrients to over two pounds of vegetables.

Acai: (ah-sigh-ee) Nature's energy fruit. Acai is one of the healthiest fruits in the world because of its high levels of antioxidants essential omegas and fiber.

Organic Aronia: Locally grown super fruit that are high in anti-virals & antioxidants which boost the immune system & are also rich in fiber.

Tumeric, Lemon, Ginger, Cayenne:

Cleanse, detoxify, and boost metabolism while balancing PH levels. Has powerful anti-inflammatory properties and helps manage healthy immune system
